

# Pathogen Purify Mat

**Anti-mold**  
**Anti-bacterial**

HOME

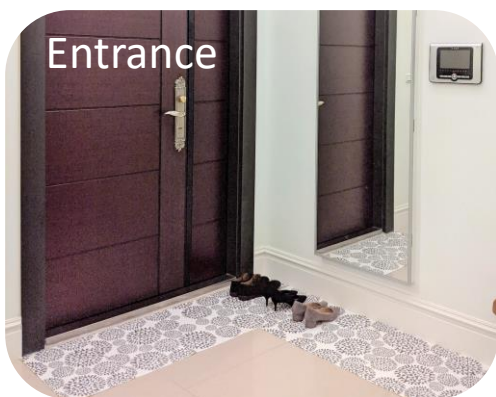

HOSPITAL

RESTAURANT  
KITCHEN

- ✓ Make sure there's no bacteria or any pathogen invading your home or working space just by placing your shoes on the mat! How simple is that!
- ✓ With sodium carbonate percarbonate inside the mat to deactivate the pathogen.
- ✓ Completely odorless, no more stinky smell from bleach!
- ✓ This is the mat to stop bacteria from growing and eliminate the odor at the same time!
- ✓ Proven Anti-mold and Anti-bacterial by SGS: Effectiveness >99.9%
  - Escherichia coli, Salmonella enterica, Klebsiella pneumoniae
